**HELENE STEINER** was born on April 13th, 1987 in St Pölten/Austria. During the academic year 2005/06 she attended the one year foundation course at New Design University in St. Pölten. Subsequently she moved to Germany, where she started studying Product Design at Bauhaus-Universität in Weimar. She graduated successfully in 2013.

While at Bauhaus-Universität Helene attended University of Applied Arts Vienna during her exchange semester in Austria's capital. She traveled to Asia on a cultural expedition and gained first professional experience as a product designer during an internship at CuldeSac™ in Valencia/Spain.
