**MANFRED KIELNHOFER** was born on January 28th 1967 in Haslach an der Mühl/Upper Austria. In 1989 he became a master in management engineering and started an education at the Technical Academy in Linz, from where he graduated in 1995. From 2000 he is working as a self-employed artist in Linz/Upper Austria. In 2005 he founded the Galerie Artpark. In cooperation with the Austrian artist Martina Schettina he created the concept for the first Austrian Light Biennale 2010. There his Interlux Chair was on exhibition. Afterwards it was accepted into the design database of the MAK – Austrian Museum of Applied Arts / Contemporary Art in Vienna.
